WHAT'S NEXT?

- * End of life care for Carers

We are currently looking for funding to be able to provide this much needed support.

CROSSROADS ANNUAL GENERAL MEETING

Our Annual General Meeting (AGM) was held on Wednesday 19th October at Sue Ryder Wokingham Day Hospice, at Wokingham Community Hospital.

During 2015-16 we provided over 1,500 care hours offering essential breaks to adult carers whose lives have been affected by the pressures of their caring role. We also supported 50 young carers over the year.

We were honoured to have the Mayor, Councillor Bob Pitts, and the Mayoress, Mrs Val Pitts in attendance who spoke about the commitment Wokingham Borough Council has for the 13,500 plus carers who live in the area.

Mr Don Johnson then spoke with affection about his time spent caring for his beloved late wife Phylis. A time filled with many happy memories and many challenges that he managed to overcome, aided by the Crossroads Care Wokingham carers support workers.

As part of the formal business the elections saw the retirement of our long standing Chairperson Dr Christine Byrne. Christine has been replaced by Maureen Meatcher who will lead the challenge to make sure the Crossroads Care service goes from strength to strength over the coming years.

Our thanks also go out to our funders and supporters without whom we would not be able to provide essential respite breaks to help the many carers in need and the people they care for.

BIG BREAKFAST RAISES FUNDS FOR CROSSROADS

The Best Breakfast organised by one of our trustees, Julia Tredwell, was held in her own home on 14th October.

In addition to providing a wonderful start to the day for all who attended it also raised an amazing £387 that will be used to help our carers looking after someone with life-limiting illnesses.

Julia would like to thank everyone who generously supported the morning. It is hoped it will become an annual event to raise much needed funds to continue our respite services.
