

## Seeing the difference.

Come to our seminar about macular degeneration to find out about maintaining eye health as you age.

Thursday 30th August, 2.00pm to 3.30pm

**Expert speaker:** Representatives from The Macular Society.

**For who?** Anyone who is concerned about the impact of degenerative eye conditions as they age.

**Why come?** Experts from The Macular Society will give practical guidance, hints and tips on how to prevent and manage macular degeneration.

**Areas covered:**

- Latest treatments and research
- Find out about low vision equipment
- Opportunity to talk to others with the condition

If you are concerned about the impact of macular degeneration on your daily life, this lively seminar given by The Macular Society is for you. To book your place, please get in touch with the home on: **01189 115384**.
